Date: _____

To: Zugzwang (Private) Limited **Attention:** Busani Ndlovu, Founder & Chief Executive Officer

From: _____ ("**Client**") **Company:**

_____ **Address:** _____

This Letter of Authorization ("**Letter**") confirms that the Client authorises Zugzwang (Private) Limited ("**Zugzwang**") to conduct security assessment and testing activities (the "**Testing**") in accordance with the Rules of Engagement executed between the Parties.

1. AUTHORISATION

1.1 The Client authorises Zugzwang to perform vulnerability scanning, penetration testing, and related security assessment activities against the following systems, networks, applications, and data (the "**Authorised Targets**"):

1.2 The Client confirms that it owns the Authorised Targets or holds all necessary authority, licences, and consents to authorise Testing of them, and that it has obtained any consent required from third-party hosts, cloud providers, or upstream service providers.

2. DURATION

2.1 This authorisation is valid from _____ to _____ (the "**Testing Period**"), unless extended or revoked earlier in writing by the Client.

3. SCOPE AND LIMITATIONS

3.1 The Testing shall be limited to the Authorised Targets and to the methods, testing windows, and constraints set out in the Rules of Engagement. Zugzwang shall not perform denial-of-service, destructive, or otherwise prohibited testing.

4. ACKNOWLEDGEMENT AND INDEMNITY

4.1 The Client acknowledges that Zugzwang's activities under this Letter are performed for the Client's benefit with the Client's full consent and authorisation.

4.2 The Client shall defend, indemnify, and hold harmless Zugzwang and its personnel from and against any third-party claim arising out of Testing activities conducted in good faith within the

scope of this Letter, except to the extent caused by Zugzwang's gross negligence or wilful misconduct.

5. GOVERNING LAW

5.1 This Letter shall be governed by and construed in accordance with the laws of the Republic of Zimbabwe.

SIGNATURE

The undersigned is an authorised signatory of the Client and has authority to grant the authorisation set out above.
